MP Submission Checklist

Print this document using a short bond paper. Accomplish the checklist by writing your answers in the indicated space.

1. ACADEMIC HONESTY

a. Did you read and understand Section 4.13 Policy on Academic Honesty of the DLSU Student Handbook?
(Link: http://www.dlsu.edu.ph/offices/mco/publications/student_handbook/default.asp)
_____

b. Do you declare that you HONESTLY worked on your machine problem and that the solution you are submitting is your own original work? *(This means that except from consulting with your teacher, you did not communicate in any way, i.e., verbal, written or electronic, with another person regarding the solution to the MP.)*
_____

2. MP DELIVERABLES

a. What are the filename(s) of the file(s) containing the source code(s) that you submitted?
_____

b. Is there any syntax error in the source codes that you submitted?
_____

c. Is there any semantic/logical error in the source codes that you submitted?
_____

If you answered YES above, describe in detail the nature of the logical error/s. Use the space provided below. If the space is not enough, use the space at the back page of this document.

_____

d. When did you email your source codes as attachment files? Indicate the specific date and time.
_____

e. Did you email your source codes to the two email addresses of your teacher?
_____

f. Did you CC your own email address when you submitted your source codes via email?
_____

g. What was the subject of your email when you submitted your source codes?
_____

h. Did you print your source codes?
_____

i. Did you staple this document on top of your source code printouts?
_____

Last Name, First Name (in capital letters): _____

Section: _____
